**Instructions**

1. **Prep Your Paper:** Stack your sheets of unfolded tissue paper on top of each other and lay them down on a flat surface.
  2. **Fold Your Paper:** Place the tissue paper stack in front of you hot dog style. Take the bottom edge and fold in over about an inch. Then flip it over and do the same thing on this side, folding over about an inch. Continue folding like this until you have one folded strip. When you are done folding, your tissue paper stacks should look like an accordion. Next, cut the strip in half.
  3. **Make The Stem:** Tie the pipe cleaner around the middle of each strip. Twist the pipe cleaner so it is secure.
  4. **Make Your Flowers Bloom! :** Gently separate the accordion folds and the pull them up and out. Continue to pull up each layer until your flower blooms!
